MR. PAUL MAJOR
PRINCIPAL

This is a time, I'm sure, of mixed emotions. You who have attended Mountain View High School four years have had experiences and made associations that will remain as pleasant memories. Life is one continuous preparation. It is my sincere hope that this school has helped you in that preparation, that its ideas have become your ideas and that they will ever be a part of you.

It has been my privilege to have known you too short a period of time. I am deeply grateful for having had this privilege. I am appreciative of the many many things you have done to make this such a pleasant experience.

I wish for each of you the highest success in whatever you undertake and hope that your lives will be filled with joy and happiness.

Chris, Good luck always. Have fun over the summer.

Mrs. Graham

Mr. Dienger

With no group activities scheduled until after Christmas vacation, the Class of '65 jelled slowly. During football season the class was well represented on the field by seven "All League" players, two of whom, Fred Gernhardt and Jeff Bautistawere selected for "All Peninsula" and Jeff to "All Northern California" and "All American."

The able leadership of President Dave Camp slowly knitted the group into a harmonious Class (the "individuals" adding spice) that in January presented the finest variety show ever staged at M.V.H.S. The enthusiasm and diversified talents of the Class carried through to present an outstanding Senior Play.

The Class culminated it's activities in Senior Day at Uvas Meadows and Senior Supper at the Elks Club, which as typical of the Class of '65 were enthusiastic and successful.

The extensive talent of the Class of '65 has made it one of the most outstanding classes in recent years in both academics and activities.

# SENIORS PRODUCE SMASH HIT

The senior variety show proved that the Class of 65 was truly a mad, mad, mad, mad class. The acts this year, along with the excellent lighting by Michael LePage and Larry Cigiullti, produced the best senior variety show in Mountain View High history. The acts ranged from folk singing to a ballet performed by our own championship football team. There were singers, piano soloists and dancers to make the show complete. Janice Pritchard and Steve Granholm put the show together along with the help of Mr. Dienger and Mrs. Graham. Hours of work by seniors produced an incomparable hour and a half of talent.

Golden Slipper

Following the very successful Senior Variety Show, "It's a Mad Mad Mad Mad Class", the class of '65 introduced the fast moving musical "Paint Your Wagon". The play was presented on March 25, 26, and 27th. The story portrayed a picture of a small gold mining town called Rumson Creek located in California in the year of 1853. The happiness and grief of a few gold-hungry miners of this tiny town develops into the stirring play "Paint Your Wagon", co-authors Fredric Loewe and Alan Jay Lerner. The play presented such songs as "I Talk to the Trees," "They call the Wind Maria," and "Wand'rin Star."

Ben Rumson and his daughter, Jennifer, in search for gold, are surrounded by a crowd of gold-hungry miners when Jennifer stumbles on a gold nugget from the stream. Jennifer falls in love with a young Mexican lad, Julio, before her father can send her to an Eastern School. During her absence her father acquires a sweetheart and the town moves along at a fast pace with the help of a group of fun loving fangango dancers.

This year turned out to be the year of the revenge for Mountain View's varsity football team. In 1962 and 1963 the varsity team had been unable to do more than tie the Indians from Fremont. This year Fremont suffered "their worst defeat in years," 40-21, at the hands of the mighty Eagles. In 1963 the Eagles had been held from winning the championship by a defeat from Santa Clara. This time the Eagle's varsity squad returned the favor to the Santa Clara Panthers by defeating them 26-7.

Things seemed to work very well offensively for the Eagles this year. Quarterback Ken Wagner's pass receivers were getting into the open and Ken was hitting them with his passes. The Eagle's offensive line was opening holes superbly and Eagle runners were popping through those holes for important yardage.

Defensively, the Eagles weren't exactly what one could call inferior. Jeff Bautista, Dave Trotter, and Frank Rondon supported by Wayne and Barry Hjelmstad, Dudley Favero, and John Olmos helped the rest of the Eagle defense hold their opponents to only a minimum of yards.

The first game of the season saw Fred Gernhardt boom into the end zone for two touchdowns, closely followed by Dudley Favero, Dave Misir, and Larry Steinberg with one each, to defeat Awalt's Spartans by the score of 32-7.

Next, it was the Sunnyvale Jets who fell under a different type of attack. Ken Wagner's passing turned out to be their nemesis. Wagner connected countless times for yardage. He also succeeded in hitting Dave Misir twice and Dudley Favero and Joe Cowan once each for his four touchdown passes. Gernhardt turned in the remaining touchdown for a final score of 32-21.

After winning their first two games, the Mountain View Eagles took a fall at the hands of the Buchser Bruins. The Eagles were in this one all the way to the last play, played on the Bruin's one yard line. Nevertheless, the Eagles lost this game, which was to be their only loss, 20-19.

Apparently the loss to Buchser did not succeed in damping the Eagle's spirit as the team bounced back with a 41-6 smear over an unfortunate representation from Cupertino. Passing and running both contributed to this win as Wagner hit Joe Cowan, Dave Misir, and Dudley Favero for three touchdown passes. The running scores were provided by Art and John Olmos with 50 and 60 yard romps respectively. Larry Steinberg put the whipped cream on the pie when he plunged into the end zone for the sixth and final touchdown of the game. This game turned out to be a big one for Dave Misir. Not only did he catch a Wagner touchdown pass, but he also kicked five out of six tries through the upright to cap his best night of extra point booting.

Gathering more speed and momentum, Mountain View's Eagles smothered the hopeless Wilcox Warriors 47-0. Virtually the whole affair was played in Wilcox's territory as Fred Gernhardt contributed three more touchdowns to the Eagle's cause and his own personal scoring column.

The Eagles were beginning to look more and more like a championship team when they faced arch-rival Los Altos for the Homecoming game. This knock-down drag-out battle turned out to be a 9-0 loss for the Knights. The Eagles showed heads-up defensive play when they recovered a high snap from center in the Knights' end zone for a safety and a fumble which led to a pass from Wagner to Cowan in the end zone for the final score.

Then, the Eagles brought home the axe. Gernhardt scored twice while grinding out 186 yards in 28 carries. John Olmos scored twice, once on a recovered fumble and once on a Wagner pass for a touchdown. Dave Misir kicked four PATs which brought the final score to 40-21. This win gave the Eagles and Fremont identical records. Both teams had won six games while losing one.

Still rolling towards that inevitable 1964 SCVAL Championship, the mighty Eagle juggernaut lordly stopped to notice the Homestead Mustangs as they rolled past them 20-7. This time Gernhardt sloshed through three inches of mud for 175 yards in 23 carries as he scored all three of Mountain View's touchdowns.

Next, and last, it was the Santa Clara Panthers. As I said, this was revenge night. The Eagle's team was determined not to let Santa Clara rob them of a league title again. This game turned out to be a 26-7 win for the Eagles, giving them an impressive 9-1 record. However, before it was over, Santa Clara found a way to stop hard-running Fred Gernhardt. It appears as though one must break Fred's arm to stop him. Even so, Fred wound up with a season's total of 1,069 yards gained which is just short of the record.

For the second year in a row, Mountain View placed six men on the SCVAL All League Team. Six more Eagles were elected to honorable mention. Jeff Bautista was voted Lineman of the Year and Fred Gernhardt was voted Back of the Year, cast and all.

Altogether it was an extremely gratifying varsity football season. A team effort was needed to win this championship and a team effort is just what it took to get it. We had the spirit, the coaching staff, and the only true championship football team. After all, we did beat Fremont.

# . . . NOW INTRODUCING FROM LUXEMBOURG

CECILE PAULUS

Only those who have had the same experience that I have had, know what it means to spend a year under the A.F.S. program. It was a wonderful experience for me, One I shall never forget. I am very much in debt to all of you who made it possible for me to come here. You have made it a truly unique year for me. I wish to express a special thanks to the Fisher's for letting me come into their wonderful home, as a member of their family.

If any one of you should ever cross the ocean, I hope to meet you again in 'LETZEBUERG', and have the chance to show you a little of the hospitality that you have shown me.

All of you interested, but not yet involved in A.F.S., please do so. You will see how small the world can be, and how little it takes to understand people. Thanks again for everything.

Cécile

Cecile with her American mother, Mrs. Fisher, and her sister Evelyn.

# GIRLS' STATE

AN AMERICAN LEGION
AUXILIARY ACTIVITY

A responsible and well informed citizen is the basis for a working democracy. It was at Girls State 1964 this summer, though, that I was taught the real and personal meaning of this small but involved phrase.

Naturally I learned much about the government of California and it's many intricacies, but I found something else there. I found such a deep love that it is impossible to express here—a love not only for one's fellow man, but a love and pride for a nation. It impressed upon me the responsibility I must undertake to be a worthwhile person and citizen.

I left Girls State with a deep, newly-found pride of being an American citizen, but Girls State will never leave me. I only hope that I can spend the remainder of my life time passing this love and pride to others. Thank you, Mountain View High School, for giving me the opportunity to do this.

Sue Parr

# BOYS' STATE

AN AMERICAN LEGION
ACTIVITY

RAY ARNAUDO, Boys' State Representative, 1964

Looking back over my week's stay at California Boys' State, last summer, I realize its importance and merit. Approximately 850 boys from all over the state gathered together to create a model governmental organization. We elected city, county, and state officials, as well as a judicial branch, and then functioned as a state, learning through experience, the concepts of government, democracy, and Americanism.

The week was spent learning about our governmental system, but was interspersed with many recreational activities and highlighted by a visit to the State Capitol.

My week at Boys' State was truly a worthwhile one. It instilled in me a pride in our country and increased my optimism for our future.

Ray Arnaudo

# HOMECOMING

# 1964

The Homecoming activities proved to be a thrilling occasion for the entire student body at MVHS. After the "Beat Los Altos" rally, there was a parade down the main street in Mountain View featuring the eight queen candidates, Annie Bonillas, Pam Baugh, Eden Costello, Wendy Crittenden, Linda Guerrero, Randy Johnson, Lynda Tish, and Lynn Van Lieshout. Judy Villasenor, last year's Homecoming Queen, completed her reign during half time of the MV-Los Altos Varsity football game, when she crowned the new 1964 queen, Lynn Van Lieshout. The new queen highlighted the day's festivities by presenting a cake to the football team at the Coronation Ball after the victorious football game.
